

Del Favero Oasis is a unique venue in the heart of Tampa that will take your breath away

We are a hacienda-inspired space that features hand-crafted tables, wrought iron decor, hand-painted Mexican tile and antique Spanish windows. **We are not a barn-venue;** our open air reception pavilion will transport you thousands of miles away to a European viranda, nestled within the exotic flora of South Florida. Get ready for the big day in our cozy bridal dressing suite, and celebrate the rest of your lives together under our breathtaking oak. There is no other property in the Bay area quite like ours. Here, you can create the wedding of your dreams in a private, tranquil and convenient location that your friends and family will love.
